

SPEAKER REGISTRATION

Speaker Photo and Bio Instructions

We want to do our best to let people know that you will be speaking at the conference, and to include the biographical information you wish on our conference website.

Please submit the following (within 4 weeks of receiving the invitation) to:
arnoldgorske@gmail.com

1. A **Digital Color Photo** (JPEG or similar formats). Please submit the photo as an attachment to the e-mail. If the photo is very large (>3 MB) it may be necessary to submit the photo alone without the bio. Please do not submit photos of yourself with other people as this delays the posting of your photo.

2. A **brief Summary of your Biography** as you wish it to appear on our website. (We cannot accept resumes or curriculum vitae, as posting causes problems.)

You may view current examples at: <http://healthcaremissions.org/faculty.html>

Note: If you were a speaker at our previous conferences, we may already have the above posted at <http://healthcaremissions.org/faculty.html>. If your Photo and Bio are already posted, please review the above and let us know if you wish any changes. If your Photo and Bio are not currently posted, please submit updated copies.

Thank you very much.

Please contact Dr Gorske at arnoldgorske@gmail.com if you have questions.
